

Nature Based Therapist Sessional Opportunity for Working with Victims and Survivors.

The Ely Centre are inviting applications from competent, experienced and appropriately qualified therapists to deliver a programme of Nature Based Therapies to Victims and Survivors on a sessional basis.

Project End Date: 31st March 2022

The Ely Centre Overview

The Ely Centre is a Registered Charity specialising in the provision of multi-disciplinary support services for civilians, security force personnel and their families, who have experienced bereavement and injury as a result of the "Troubles".

The Ely Centre is committed to serving innocent victims and survivors, ex service personnel, their families and carers by providing evidenced based outcome focused treatments, prevention and support services that address issues of declining psychological, physical health, social and financial difficulties arising as a result of the troubles.

The Organisation formed by relatives of the bereaved and injured of 1987 Enniskillen Poppy Day Bomb which claimed the lives of 12 innocent civilians and injured scores more, has over the last three decades developed into a proven centre of excellence in providing care and support for victims and survivors of the Troubles and their families.
